

## Rules of Diving

Training- and diving waters in Königshain

1. I know, that I received only a one time permission for diving in the quarry of the diving club Görlitz (TCG). I will not hold the TCG liable for any claims that may arise from my presence at the quarry or my diving. This is true for any damage or harm, that I suffer by myself or that concerns my equipment or belongings and also for claims of a third party, which could be harmed by my activities.
2. The quarry is a natural area with uneven ground. The edges of the quarry are insecure. Be careful during your stay and do not approach the edges.
3. With my signature on the list of entries I confirm the correctness of my personal data. I will pay attention to the hints, restrictions and prohibited areas.
4. Bookings have to be made 14 days in advance. In case of non-observance I have to pay 5, - € in addition.
5. I am not allowed to enter constructions or caves or to dive into them. I have to follow the instructions of the TCG.
6. My last medical examination concerning diving is not older than two years (if I am 40 or older, then not longer than one year). I will not dive under the influence of alcohol and drugs.
7. I have to use equipment, that is suitable for cold water (DIN EN 250), which is in faultless conditions. If I dive 15 metres or deeper, I have to use two breathing systems, that can be shut off separately. Carried Pony bottles have to have volume of at least two litres. Every diver has to wear complete equipment.
8. The diving club follows the recommendations of the VDST concerning diving groups and depth limits. There should be only groups of divers with the following brevets of the VDST or brevets of other diving associations that are equivalent:

Group	Recommendation	Depth limit in Königshain
Basic Diver with Basic Diver	No	-
Diver* with Diver *	No	-
Diver** with Diver*	Yes	20 m
Diver** with 2 or more Divers*	No	-
Diver** with Diver**	Yes	None
